

HARGRAVE JENNINGS

PHALLIC WORSHIP

LibriVox

Phallic Worship

A fairly scholarly, short survey of religious sexual symbols and practices from ancient times to the near-present, and within various countries and religions. The essay is coloured by liberality and acceptance of common themes between different religions. Note: "phallic" in the context of this work refers to both male and female genitalia. (The text lacks a bibliography.)
– Summary by Peter Yearsley

Hargrave Jennings
